

Canyons & Plains Southeast Colorado Regional Heritage Taskforce (SECORHT)

The mission of Canyons & Plains is to provide education and assistance to the public on the unique historical and cultural assets of Southeast Colorado through education, collaboration and support across the region.

Canyons & Plains is a six-county organization comprised of Otero, Kiowa, Prowers, Bent, Baca, Crowley and east Las Animas County area of Kim and Branson. Within this region Canyons & Plains works together with many entities to make its work successful. These partners include local elected officials, National Park Service and USDA Forest Service representatives, local preservation commissions, local chambers of commerce, local economic development agencies, local tourism-related businesses, The Colorado Welcome Center in Lamar, Colorado State Parks, Colorado Division of Wildlife, and interested citizens.
